

For the health of public safety agencies, employees, and families

Legal Liability Waiver

Purpose & Scope:

Trainings provided by Desert Waters Correctional Outreach (DWCO), whether online, in person, or on a platform, may cover complex, emotionally laden, and potentially triggering content related to mental health and wellness at the individual and organizational levels. These trainings are provided solely for educational purposes. Learners and their agencies accept full responsibility for their engagement, and acknowledge that DWCO, its Executive Board, staff, volunteers, partners, and presenters are not liable for any emotional or psychological impact that may arise. Presenters share personal and professional perspectives for educational purposes only. Nothing presented should be taken as medical, legal, or financial advice, nor as a substitute for consultation with qualified professionals.

Application of Information:

Learners are encouraged to use their own judgment when evaluating and applying the information shared. Because approaches to mental health and wellness vary across individuals, settings, and circumstances, applicability may differ depending on each learner's situation.

Responsibility & Liability:

Agencies that provide the DWCO trainings to their employees and individual learners accept full responsibility for how they interpret, use, or apply the information provided. Participating agencies and individuals release, indemnify, and hold harmless DWCO, its Executive Board, staff, volunteers, partners, and presenters from any claims, liabilities, losses, or damages arising from their participation, use of any information presented, and/or purchase of DWCO's training courses in any format.

Governing Law:

This waiver shall be governed by, construed, applied and enforced in accordance with the substantive laws of the State of Colorado, and the sole jurisdiction and forum for litigation of any dispute associated with this webinar shall be the courts situated in Fremont County, Colorado.
